## Preface

In the preparation of this book, the author has sought solely to present an accurate and connected history of the rise and extension of Scottish Rite Masonry in Texas.

The information which it contains has been compiled chiefly from the Masonic records in the archives of Philip C. Tucker, for free and frequent access to which the author is indebted to the widow and family of the late Grand Commander.

The only virtue that is claimed for this work is its correct portrayal of the life of the Rite in Texas. The author, himself, at the time of writing, the oldest thirty-third degree Honorary Scottish Rite Mason in Texas, has drawn readily upon his more or less extensive fund of information concerning the Rite in this State, not for the purpose of writing down his recollections or beliefs concerning its establishment and progress, but merely for the suggestion of lines of investigation that carefully and definitely pursued might lead to the acquisition of data about the authenticity of which there could be no shadow of doubt.

More than twelve months were spent in this undertaking. The author visited frequently the several Consistories of Texas and going once to Washington to examine the records of the Supreme Council for information unobtainable here. The task has been compensatory in the wider knowledge of the growth of the Rite which the author has acquired by its preparation, and the increasing enthusiasm which pursuit of it has engendered for the pioneers of the Rite and admiration for the success which their perseverance and energy enabled them to win.

This, his first literary effort, is likely to be his last, as notwithstanding the large, if intangible recompense of authorship, the task which sincerity of purpose imposes upon ambition is sometimes greater in the end than is even faintly hinted at the beginning.

If this little book shall bring a new knowledge of Scottish Rite Masonry to any of those into whose hands it may fall, it shall fulfill the mission for which it was sent upon its way.

## Dedication

Samuel Poyntz Cochran, 33°,  
Sovereign Grand Inspector General in Texas.

Dear Sir and Brother:—

I have taken the liberty to dedicate this volume to you as a slight testimonial of respect and esteem for an eminent Mason and a worthy and honored citizen of Texas, although realizing that nothing I could do or say would add to the lustre of a name which has been so prominent for many years in the Fraternity, as well as in public affairs of our City and State. No monument will be necessary to perpetuate your memory. The example of an upright life, your work in the interest of the Craft, covering the best years of an active life and your manifold charities, the greater part of which are never heard of by the general public, will prove more lasting than the finest Parion Marble, more enduring than the granite hills of New England.

Courteously and Fraternaly,

C. A. HOTCHKISS, 33° Hon.

# Foreword

Innate delicacy prevents our grand old man of Scottish Rite Masonry in Texas from writing his own biography, either in the body of our book or in a preface to or an addendum of the same. It has been represented to me by many of my brethren that I ought to perform this duty for him. I feel my limitations, but have consented on condition that this biography of Brother Hotchkiss shall be placed at the beginning of the book. And what, may I ask could be more appropriate as an introduction to a work of this character than to point to the achievements of such a grand character and sterling Mason.

To paint the lily, to gild refined gold, to add perfume to the rose are not more futile nor useless than to attempt to introduce Brother Hotchkiss to his contemporaries. You all know him and know his works. For posterity, however, I now set down a brief synopsis of his life and labors, in the Masonic world.

He was born to the square! He is descended from a long series of paternal ancestors who were all devoted Masons. His father, Rinaldo Hotchkiss, was born in Palmyra, N. Y., in 1818, and moved to Nacogdoches in 1835. Rinaldo Hotchkiss was enrolled at the age of 17 in the ranks of Texas Patriots in their battles for independence. He fought at San Jacinto and was in other important battles. He was a Master Mason and Knight Templar. Archibald Hotchkiss, a grandfather of our brother, was a Master Mason and Knight Templar and fought for his country as captain of a battery in the year of 1812.

The author of this book, Charles Albert Hotchkiss, 33° I. G. H., received the entered apprentice degree in Palestine Lodge in 1878 and is a life member of all the York Rite bodies in Palestine, Texas.

He received the degrees of Scottish Rite Masonry at the State Capitol at Austin in 1883 from Charles S. Morse, 33° Hon., Deputy Inspector for Texas. He was made Kt. Commander, Court of Honor in October, 1888, coroneted 33° Hon., on October 22, 1890, by the Supreme Council A. & A. S. R. at Washington, D. C., during the lifetime of Sovereign Grand Commander Albert Pike. He was commissioned Deputy Inspector General for Texas on September 9, 1888. He was the first native Texan to receive the 33rd degree and is now the senior 33rd degree Mason in Texas.

He is renowned as a student and writer of Masonic history and law.

He has painstakingly and laboriously studied records, dating back nearly 50 years and has devoted a year of his time to the contemplation of the facts and statistics set forth in this work. He has had access to the official papers of Philip C. Tucker, formerly in charge of the work of the Scottish Rite in Texas. He has consulted and used the official records of the Supreme Council at Washington.

This book which is intended to be a complete history of Scottish Rite Masonry in Texas, represents personal sacrifices. It represents a labor of love and it is dedicated by him to Samuel Poyntz Cochran, 33°, S. G. I. G. in Texas.

Our Supreme Council is very desirous to commence the extension of the Ancient and Accepted Scottish Rite into Texas. Could you not engage in it? We have as yet no active members here, and Council has not been in Supt. Council since in 1868. If you receive the degrees to the 32<sup>d</sup>, you can then be appointed Deputy Inspector for the State, & place which I should be delighted to see you fill.

You can not fail to appreciate and value the degrees of the Rite. They will open to you unlimited & new and a wide field.

Can you go when Adams and receive the degs?

Hoping then you can, I enclose an authorization and request, upon which you will be gladly invested with them by an A.D. in New Orleans, without charge.

I will then send you a Commission, and the ritual and Secret book. You can make other 32<sup>d</sup>. to act as Deputies, and we can propagate the Rite in all the parts of your State. We have long regretted that it should be materially unoccupied; but we only very recently had the ritual, so as to be able to work.

I am with great & most fraternal esteem

Truly yours

THE INTRODUCTION OF SCOTTISH RITE MASONRY  
IN TEXAS.

The epitome of the history of the Rite in Texas necessarily requires and involves a part of the Masonic history of the Brother who introduced it into the State.

BROTHER PHILIP CROSBY TUCKER, 33rd, Sovereign Grand Inspector General in Texas, was born in Vergennes, Vermont, February 14th, 1826. He was a lawyer by profession, he was a Past Master of Dorchester Lodge Vermont in 1847. He was T. I. M. of Vergennes Council, Royal and Select Master, Past District Deputy Grand Master, Past Grand Secretary of the Grand Royal Arch Chapter of Vermont and was made a Knight Templar in Burlington Commandery. He came to Galveston, Texas, in November 1852, and affiliated with Harmony Lodge No. 6, and was Worshipful Master of it for six years and declined a re-election December, 1867. He was also a member of Tucker Lodge No. 297; Past High Priest of San Felipe de Austin Chapter No. 1, R. A. M.; was Eminent Commander of San Felipe de Austin Commandery, Knights Templar, for fourteen years; Grand Master of the Most Worshipful Grand Lodge of Texas in 1869; Grand High Priest of Grand Royal Arch Chapter in Texas in 1864 and 1865, and Grand Commander of the Grand Commandery of Knights Templar in Texas in 1864, and was the Representative of several other Grand Bodies to those near Texas.

He received the degrés of Ancient and Accepted Scottish Rite from 4° to 32° inclusive at New Orleans, Louisiana, February 5th, 1867, at the hands of Brother James C. Batchelor, 33°, Inspector General; Samuel M. Todd, 33°, Inspector General, assisted by Bro. H. R. Swasey, 32°, by virtue of a dispensation to that effect issued by Albert Pike, 33°, dated the 22nd day of July, 1866. He was commissioned as Deputy Inspector General of the Supreme Council with ample powers for the State of Texas, by the Venerable Grand Commander, February 13th, 1867. Elected a 33° at Charleston, South Carolina, in May 1868; crowned an active member September, 1868, at Saint Louis, Missouri; appointed Second Grand Equerry of the Supreme Council May 6th, 1874; appointed Grand Prior ad interim February 5th, 1883; elected Grand Prior October 22nd, 1884; elected Lieutenant Grand Commander

October 17th, 1892; elected Grand Commander, October 18th, 1893. He was also commissioned as representative and guarantor of amity from the Supreme Council of Mexico to this Supreme Council on the 27th of January, 1882, which position he held until 1891, when he resigned.

Brother Tucker died in the house of the Temple, Washington, D. C., on the 9th day of July, 1894. He was the last survivor of the noble band who organized the Grand Chapter in Vermont. During the Civil War he was in the Confederate service doing duty as a volunteer aid on General McGruder's staff, with the rank of Major, and not only rendered valuable aid to the cause by his intimate knowledge of the surrounding country, but was able to give Masonic relief and assistance to those taken prisoners.

He was an active member of the Howard Association during the yellow fever epidemics that visited Galveston, night and day for long months, in each epidemic he never suffering was done by him and his associates. Everywhere at all times, under all circumstances, he performed faithfully, punctually and thoroughly every duty, civil and Masonic, imposed upon him by the nature of his office, pure of heart, of perfect integrity and most worthy of the grand old name of "Gentleman"; immeasurable, generous, kind, affectionate and tender-hearted, a fast, firm, friend, genially hearty and good humored, he was one to win esteem and honor, firm friendship and warm affection. The superior lustre of his name will out-shine the flashes of their resentment, and reflect a glory upon Masonry which can never fade.

#### HOW SAN FELIPE LODGE OF PERFECTION NO. 1 DERIVES ITS NAME.

It appears by the record that San Felipe Lodge of Perfection No. 1 derived its name from the town "San Felipe de Austin," the capitol of Austin's Colony of North Americans, on the Brazos river, which was called "San Felipe de Austin," from the 26th of July, 1823, by an order of Don Luciano Garcia, then Governor of the Mexican Province of Texas in which it was situated; the suffix (de Austin) being convenient to distinguish it from the town of San Felipe in the Mexican State Guaunjuato and San Felipe in the Valley of Mexico.

In Spanish countries it is not unusual to designate towns, capes, islands, etc., by the names of the Apostles. This town was called by the name of Sain Philip, in Spanish, San Felipe, who was a native of Bethosida, one of the Apostles, and the constant companion and follower of Jesus of Nazareth, distinguished for his zeal in preaching the Christian religion; and was proved faithful unto death, being imprisoned, scourged and crucified for his religious faith at Hierapols, certainly an appropriate name to be used.

L. M. OPPENHEIMER CHAPTER No. 2.

On the 8th day of August, 1882, an informal meeting of the B.: B.: was held. The following is a copy of the proceedings:

B.: B.: present Benj. F. Disbrow 32°, Wm. Scrimgeour, 32°, John H. Martin, 18°, J. C. Johnson, 18°, Henry P. Angel 32°, John Mealy 32°, Benjamin O. Hamilton 32°, Louis Schneider 32°, Theo. Goldman 32°, Calvin W. Preston 32°, Andrew Munn 32° and A. F. Cykoski 32°. Bro. B. F. Disbrow was called to preside and A. F. Cykoski as secretary. The presiding officer stated that the object of the meeting was to organize and form a Chapter of Rose Croix. The name of "L. M. Oppenheimer" was proposed and adopted as the name of the Chapter. The election of officers followed and resulted in electing the following: Wm. Scrimgeour, 32°, W. M.; Wm. M. Andrews, 32°, Sr. W.; James C. Johnson, 32°, Jr. W.; Henry P. Angell 32°, Orator; Benj. F. Disbrow 32°, Almoner; Adolph F. Cykoski 32°, Secretary.

ANDREW MUNN 32°, Treasurer.

Bro. Scrimgeour appointed the following officers: Theo. Goldman 32°, M. C.; Louis Schneider 32°, Sr. Ex.; John H. Martin 18°, Jr. Ex.; John Mealy 32°, C. H.

WM. MELVILLE 32°, Tyler.

B.: B.: L. M. Openheimer, 32° and Benj. W. LeCompt 32°, were on motion placed on the roll as charter members. No further business appearing, the meeting adjourned.

A. F. CYKOSKI, Secretary.

This application of these B.: B.: was presented to the Insp. Gen. Philip C. Tucker 33°, who granted them on August 23d, 1882, Letters Temporary under the name and title of "L. M. Openheimer Chapter No. 2," with the officers as mentioned in the application.

The same officers held their position for three years, which at that time was the law of the Supreme Council. This law was changed in regard to Texas in 1884. The charter members included in Esparanza Council on December 2, 1868; also Rose Croix Chapter, same date, are all dead.

Openheimer Chapter No. 2, Esperanza Council No. 1 is mentioned and it states that the Charter of Esperanza Council No. 1 was dated December 27th, 1868, I presume the author (above date December 27th, 1868) failed to find the old Record book. I copied the above meeting January 1st, 1869, from the original book of records—all of the members of Esperanza Council No. 1 and Gilman Chapter No. 1 are dead, with the exception of Brother Isadore Lovenberg, who is living in Galveston. The records show the 16° was conferred on him May 12th, 1870—the last meeting appears upon the Book of Records May 5th, 1871. The author is unable to find any record of Gilman Chapter No. 1, except a loose sheet I found in the Esperanza Book of Records, as follows:

These B.: B.: met on the first day of January 1869, and Esperanza Council No. 1, P.: of J.: was constituted and inaugurated by the Inspector General Philip Crosby Tucker 33°. PETITION FOR ROSE CROIX CHAPTER.  
TO THE GLORY OF THE GREAT ARCHITECT OF  
THE UNIVERSE.

In the Southern Jurisdiction of the United States of America of the obedience of the Supreme Council of 33° for said Jurisdiction, whose See is at Charleston, S. C.

To the Sov. Gr. Inspector General and active member of said Supreme Council for the State of Texas.

The Knights of the Rose Croix residents of Galveston and other places in the State of Texas, beg leave to refer to the fact that Gilman Chapter created December 27th, 1868, V. E., after the removal of its former Wise Master Brother S. H. Gilman from the State of Texas, Brother Krausse and others from the City, and the death of B. B. J. G. Beers, 32°, I. P. Werner, 32°, J. L. Briggs, 32°, Wm. T. Austin, 32°, M. W. Baker, 32°, ceased to prosper and expired by operation of law, and that for years past the only body of the Rite at Galveston has been and is San Felipe Lodge of Perfection No. 1, that the number of good Knights in the City at this time is nineteen, that they are desirous to organize a Chapter at Galveston and to proceed with proper assiduity to create Rose Croix and advance the interest of Freemasonry by teaching the lessons and principles inculcated in the degrees within the bosom of such a Chapter to which and they pray for Letters of Constitution to issue to them congregating them into a regular Chapter of Rose Croix according to the Constitution, Statutes and Usages of the Rite, providing that said Chapter and members shall always obey, observe and be governed by the regulations of the year 1762, the Grand Constitution and Scottish Institutes of the year 1786, the Ancient Statutes Knights Rose Croix, and the Statutes Intendates and Orders of said Supreme Council of 33° to whom it shall always be loyal and bear true allegiance, and whose lawful officers and representatives it shall obey according to the usages of the Rite in default whereof it shall forfeit its Letters of Constitution, and they pray that the usual fee for Charter or Letters be not exacted from them at this time, nor until the Supreme Council act upon their application in regard thereto.

They suggest that said Chapter be known as Galveston Chapter No. 1, and for its officers, while under Temporary Letters of Constitution.

The Bro. & Knight Ill. Marcus F. Mott, as M. W. Master  
 The Bro. & Knight Ill. Miles Strickland, as M. E. S. W.

It is presumed that Oleander Council No. 1 derived its name from the bush or shrub known as Oleander, it is the common name for the shrub known to the botanists as Nerium Oleander, it is a native of the Mediterranean and Levant.

It is said in the course of the Peninsular War some French soldiers died in consequence of employing skewers made from freshly cut twigs of Oleander for roasting their meat; this shrub is of numerous varieties, it grows luxuriantly in the Gulf Coast, especially on Galveston Island and of many Colours.

Galveston is the Mother of Scottish Rite Masonry in Texas. San Felipe Lodge of Perfection No. 1 was established May 15, 1867, now forty nine years ago; hence, it is the Mother of all Bodies in Texas. During the early years of its existence, with only a few members, they had a hard struggle to keep the Body alive. About the year 1882 new blood was added, and a Rose Croix Chapter was instituted. The members soon realized the importance of exemplifying the work in full and ample form. In order to create an interest and propagate the Rite, it was then agreed that none of the Degrees would be communicated, which has been adhered to strictly since that time. From that time the membership began to increase rapidly. In 1898 a Council of Kadosh was petitioned for and granted. In 1902 the present Cathedral was purchased and remodeled from time to time, until it is now one of the finest and best equipped Scottish Rite Cathedrals in the Southern Jurisdiction, valued at about \$200,000.00. In 1899 Letters Temporary for a Consistory was granted, and the Brethren from Dallas, Crockett, Beaumont, Orange and Houston displayed great interest in the work, as each of them put on a Degree Team and attended every Reunion for several years. Beaumont, Orange and Houston still keep up the good work. The Galveston Bodies have the distinction of being the first in the Southern Jurisdiction to confer all the Degrees

from the Fourth to the Thirty-second, inclusive, without book or memorandum.

When James D. Richardson, 33°, Sovereign Grand Commander, visited Galveston, March 2, 1907, he said in his address to the Bodies, "My pleasure has been enhanced by being afforded the opportunity of seeing that which I had never seen before; namely, the conferring at a Reunion of every one of the Degrees of the Rite from the 4° to the 32°, inclusive. With the Bodies here every Degree is "Independent".

We sent this \$75.00 to the Supreme Council in October, 1882, to pay for our Charter for a particular Consistory, but Bro. Pike would not give the Charter unless we took a set of Books and we are not able to pay for the Books now, and need this \$75.00. Hence this arrangement for you to draw it and dispose of it as directed.

By reference to page 173, transactions of Supr. Council, October, 1882, you will see that we are credited with this \$75.00.

I hope you will find my returns correct this time.

Orient of Austin, February 14th, 1882.

Dear Sir and Bro.:

At 11:10 I returned this day from San Antonio, after taking now my dinner I will give you my experience gathered there. In the first place, I was received by all those I could see of our 32° and 33° with apparent much pleasure.

February 15th. Called away yesterday. I could not resume my letter until this 11 October. The first man I called upon was Bro. E. Rieche, with whom I had already been in correspondence. He gave me little or no hope for a Lodge; after a long conversation, he seemed to acknowledge that I had some justice in my remark, but limited stringency of the money market. I told him that I was not empowered to give a promise, but that if he would bring up two candidates, 10 M. M. of good standing, whose enemies could not approach them with anything improper, I would use my intercession with you to make him the 11th free of charge. I have no doubt that you will approve of this promise, as if it were more than 10 you would remit the fee anyhow; he promised to use his influence. Next I saw Bro. Smye, 32°, who had when you were in San Antonio and who has now a suffering wife, whom at times he cannot leave alone, but who visited Bro. Pike at the Lodge room and requested him to make his excuses to you. He was taken in at once with the idea to form a Lodge of Perfection, counted at once the 8 higher and promised to raise the other four by himself. I will not confer a degree on any one, who does not stand on the top of the ladder as an honest man and good Mason and to ascertain the views of all members that may join, I shall take one by one aside and ask if he has any objections to any one proposed and I will refuse all who under such objections cannot justify before a proper committee, I answered and that settled the conversation. When they saw that I had not come to take only their money, they agreed with me. Bro. Smye and me went by a hack (footing not fashionable now in San Antonio) to see Bro. N. H. Gould, 33°. He felt himself highly flattered that a man of my distinction should pay him a visit of honor, etc. I answered that I was much flattered by his good opinion, but the boot was on the wrong leg, that I came to ask information and advice from him and therefore must decline all his flattering compliments. This brought him out and speaking with Smye about the different candidates, they made up eight, besides those having already the degrees. Bro. Gould declares that him and Bro. Frees had visited you at the Hoard

house. Bro. Frees also agreed that a Lodge of Perfection would prosper and so I left Monday morn under the full conviction that I had gained all I went over for, the certainty of establishing a good Lodge of Perfection. My expenses were \$15.25, the larger amount belongs to carriage hire, for I told you walking at present is not the fashion in San Antonio, as bootmakers don't make the boots high enough generally. I hope that I will be able to create a good Lodge of Perfection in San Antonio so that I can have the pride of having succeeded where you and Albert Pike had failed and I will be proud if I can raise the three bodies of A. & A. S. R. when all eight deputies have raised but one all together.

Bro. Smye paid Bro. Morse, \$57.50 for 31° and 32°, has recd. Legenda Readings and Patents, but no M. and Dogmas. He wishes to have the morals and dogmas in one volume and if he has to pay for them now.

I enclose check for \$20 Fred Sterzing; please return his note.

Dear Bro. Tucker:

Your favor of 3d inst. came duly to hand, but I felt too unwell to write to you. Sommerrow has received his patents all right, but otherwise nothing has been heard neither from you nor from Washington.

Sommerrow, 32°; Newel McDonald, 32°; Fred Sterzing 32°; Joe Petmecky, 32°; these are the names of the future Austin Consistory.

Morse has not yet called a meeting of the Council, nor have we had any meeting of the other bodies. Next Tuesday is regular meeting of Lodge of Perfection and I would wish to know from you whether, if our permanent Letters of Con-

stitution does not arrive, the lodge in my presence, can hold its meeting.

Hearty salutations to you and yours,

Yours ever true,

Yours truly,

A. Goldman, 32°.

Orient of Austin, Nov. 6, Saturday, 1884.

My Dear Good Bro. :

Bros. Pike and Ireland just left me, after conferring upon me the 33°. To you I am indebted to this honor, words fail

officers, only the first three and the Recorder, namely:

Charles S. Morse, Commander.

H. L. Carleton, First Lieut. Commander.

John McDonald, Second Lieut. Commander.

Tom Murrah, Recorder.

The Council was duly instituted, however, and I was installed as proxy for all the other officers, about the Consistory I know nothing except that it was organized, because General Pike wanted a Consistory in Austin, and we boys dug down in our jeans and put up the money, how it happened to be named No. 3 is more than I can tell, as it was the first Consistory established in the State, as far as I know, the one at Fort Worth was established sometime afterward and the one in Galveston, still later. In 1884 I moved away from Austin and Brother Goldman died not long afterward, with the death of Brother Goldman Scottish Rite Masonry in Austin came near going to pieces. The Council and Consistory surrendered their Charters and the Lodge and Chapter were kept alive, and that was all.

Referring again to Brother Goldman, there is a man who can furnish history which ought to be written and preserved in the archives of the Austin Bodies. why he was selected for the work in Texas, when he had only received the first three Degrees, how the Degrees from the fourth to the thirty-second were conferred upon him as an Honorarium that he might be made a Deputy for the Inspector General in Texas, how he received the 33rd Degree in his own room, when he was practically on his death bed, as he lived only for a short time, would make it interesting reading."

Courteously and fraternally,

H. L. Carleton, 33° Hon.

## HISTORY OF A GAVEL.

The following is a history of a gavel presented to Philip C. Tucker, Rose Croix Chapter No. 1, at Austin, Texas, by Henry L. Carleton 33 Hon., the Galley "Congress" was sunk in a naval battle on Lake Champlain during the Rev-

olutionary war in 1776, I do not know what year it was raised, but it was during the period that Philip C. Tucker, Sr., was Grand Master of Vermont, a piece of oak from the timbers of the Galley was given to Brother Tucker, Sr., as a souvenir and he later presented it to his son Philip C. Tucker, Jr., who was then Grand Master of Texas, when Philip C. Tucker chapter of Rose Croix was chartered Brother Tucker had a gavel made from this piece of oak and presented it to the Chapter in memory of his father, On each side of the gavel is a silver plate, the obverse plate engraved as follows:

Philip C. Tucker Chapter No. 1  
of Rose Croix 18th  
from  
Philip C. Tucker, 33rd  
Austin, March 1882, V. E.

On the reverse side,

Oak from the American Galley  
"CONGRESS"  
Blown up and Sunk in Lake Champlain,  
October 13, 1776.

The presentation of this gavel was quite an event in the Masonic circle of Austin, a public meeting was held in the Masonic Hall, to which all Master Masons and their families were invited, the presentation address was made by Mrs. John W. Glenn and accepted on behalf of the Chapter by H. L. Carleton, Wise Master, the exercises also included an address on Scottish Rite Masonry, by J. W. Robertson, Orator of Fidelity Lodge of Perfection.

(Signed)

H. L. Carleton, 33rd Hon.

The following is a copy of a letter found in the archives of Bro. Philip C. Tucker.

"The wood of which this mallet is made was a portion of one of the white oak planks of the American Galley Congress, a twelve gun vessel of the American fleet commanded by Benedict Arnold in the Battle of Lake Champlain on the 11th and 13th of October, 1776, with the British fleet commanded by Capt. Edward Pringle which vessel having received seven shots between wind and water and hulled a dozen times and her sails and rigging torn in pieces by shot, was run into a beautiful bay on the

Scottish Rite Cathedral  
Dallas, Texas.

east shore and blown up and sunk. Eighty-four years thereafter in 1860 these planks or pieces were procured therefrom by my father Philip C. Tucker, Grand Master of the Grand Lodge of Vermont and made into canes for himself and me. This piece was brought to Texas by the writer who had this mallet made therefrom. Of all the vessels connected with the war for the aid of the United States this wreck is the only one known to exist."

(Signed) PHILIP C. TUCKER, 33°.

For the information of those who do not understand why Bro. Carleton's name appears on the charter of Fidelity Lodge of Perfection Lodge No. 4 as Venerable Master instead of J. W. Glenn, the author makes the following explanation, when it was proposed by Brother Tucker 33°, Sovereign Grand Inspector General, and his Dept. Bro. Adolph Goldman, 32°, to organize a Lodge of Perfection in Austin, Brother Carleton's name was suggested as the first Venerable Master, when Brother Pike, Grand Commander, came to Austin for the purpose of organizing the Lodge of Perfection, Brother Glenn, who was the supervising architect of the new Government building, then in process of erection, presented himself, claiming to be a 32nd and was recognized as shown by the records, as it would not be courteous to name a 14th degree Mason as Venerable Master over a 32nd. His name was substituted for Brother Carleton's, whose name appears as Senior Warden in the Letters Temporary for both Lodge and Chapter.

It pleased General Pike to issue a charter to the Chapter of Rose Croix at once, thus making it Chapter No. 1 of the State, while the Lodge of Perfection took the regular course and a charter was issued at the next regular meeting of the Supreme Council and became No. 4, soon after the organization of the two Bodies, Brother Glenn was transferred to New Orleans to supervise the building of a customs house at that point; of course this necessitated his resigning his office and Brother Carleton named as the First Venerable Master in the Lodge and Chapter.

Dallas Lodge of Perfection No. 7 was instituted January 20, 1897. Being without a permanent room or place to hold our meetings, the Author, realizing the unpreparedness to exemplify the work with any degree of intelligence as the Rituals demanded, he whose love for the Rite, and anxiety for the success of the Lodge, delegated to himself the responsibility of procuring a suitable hall for our temporary purpose. In order to accomplish such an undertaking without a dollar in the Treasury or the consent of the members, Bro. Charles Kahn, 32°, was called to the rescue and after two day's search, we rented a room on the third floor of a building two doors East of Ervay, on Elm Street. We purchased lumber, and Bro. Daniel Cooper, 32°, built such ante-rooms and furniture as were required. Bro. Alex Sanger 32°, let us have carpets, shades and cloth for the walls, Bro. Peacock did the painting for which he received the 14th Degree. Bro. Geo. Mummert, 14°, made the Candelabums (3, 5, 7 & 9), Bro. Hotchkiss purchased the Altar and gave it to the Lodge, and it is in use at the present time.

Bro. Kahn and Bro. Sanger have both been rewarded by the Supreme Council for their valued assistance in building up the Rite in the early days of its existence. Bro. Kahn was the first Venerable Master of Dallas Lodge of Perfection, and only two of the elected officers are now living.

Immediately after occupying the Hall, and election of officers, the B. B. began to confer the Degrees, the membership began to grow, and the Lodge room being small, at the suggestion of Bro. Cochran, we removed to the building then occupied by the York Rite Bodies, which proved unsatisfactory after a few months, and we then removed to a building on Commerce Street. Bro. Cochran then took the lead and selected Degree teams, and work began in earnest. Our home remained in that building until the present magnificent Cathedral was completed.

The Rite today is in a healthy and prosperous condition, with a membership of about 2,500.

### HOW DALLAS LODGE OF PERFECTION DERIVED ITS NAME.

The City of Dallas was named for George Mifflin Dallas, American Statesman and Diplomat.

He was born in Philadelphia on July 10, 1792; graduated at Princeton, at the head of his class, in 1810; studied law in the office of his father, a financier, and was admitted to the bar in 1813. In the same year he went to Russia with Albert Gallatin as his secretary, returning to this country in 1814. He practiced law in New York and Philadelphia; was chosen Mayor of Philadelphia in 1828; and in 1829 was appointed United States attorney for the Eastern District of Pennsylvania. He was a democratic member of the United States Senate in 1831-1833; Attorney General of Pennsylvania 1833-1835; Minister to Russia 1835-1839; Vice President 1845-1849; Minister to England 1856-1861; and died at Philadelphia December 1, 1864.

Dallas was settled in 1841, and received its first charter as a city in 1856.

(Signed) Philip Crosby Tucker, 33°,  
 Inspector General in Texas.  
 Gr. Prior of said Supreme Council.

The Scottish Rite Masons in Dallas, Texas, applied for a Charter for a Lodge of Perfection, November 10th, 1890. The Letters Temporary were granted by Philip C. Tucker, 33°, S. G. I. G. in Texas, and the books were ordered January 27th, 1891, and received in due time by the Deputy in Charge at Dallas, for which he failed to remit the required amount, due the Supreme Council for the books, the S. G. I. G., after writing his Deputy repeatedly to remit, and receiving no reply, to any of his

letters, he instructed the Deputy to either remit or return the books. The books were returned to the S. G. I. G. March 14th, 1891, with no explanation *whatever*, nor did he notify the V. M. or members, hence the Lodge went by default, which the author desires to say was no fault of the Ven. Master, nor the members. It is not necessary to refer to the matter any further, as he is in possession of *all papers* concerning the defunct Body and to publish the entire history would be to open up an old sore, long since dead and forgotten, which was very humiliating and mortifying to the Brethren. However, no one was to blame but the Deputy Inspector General in charge.

#### BRIEF SKETCH BY P. D. MATHIS, 32° K.C.C.H.

The rapid growth of Scottish Rite Masonry in Southwest Texas from a comparatively insignificant beginning in an unorganized way to an active membership of 1000 Perfect Elus, of whom about 500 are 32° Masons, though regarded by many brethren as phenomenal, is more readily understood when the long-continued and persistent efforts toward the institution of bodies of the Rite are considered.

For many years, brethren living in and near San Antonio had faithfully observed the Rites incident to Maundy Thursday and had discussed informally their hope that at some time the bodies might be instituted. More than eight years ago, this hope began to take the form of definite aspiration, and June 20, 1907, the Scottish Rite Masonic Club was organized at the Masonic Temple.

Study of degree work was taken up with enthusiasm and carried on for several months, but the brethren of the club never had an opportunity to display their proficiency in actual work, so far as the records disclose.

In October of that year, the club sent greetings to the Supreme Council, and later, in December, Bro. Matthews, 33°, of Mexico, tendered his services in efforts to get letters temporary for a Lodge of Perfection. A communication later from Bro. Chamberlin was not favorable to the hopes of the San Antonio brethren.

Interest and enthusiasm continued, however, unabated. In January 1908 the club gave a smoker. Maundy Thursday, April 16, was observed in orthodox fashion, when about 30 brethren met at the "Green Kettle" Restaurant, enjoyed a feast and responded to the toasts proper to the occasion. In October and for some time afterward, meet-

ings were held in the office of the secretary in the St. James Hotel.

The International Club was the scene of the next Maundy Thursday celebration, April 8, 1909, when 33 brethren were present.

The annual meeting in September was held at the Menger Hotel, when a committee was appointed to gather data and formulate a petition to be presented to the S. G. I. G., asking for letters temporary for a Lodge of Perfection. It was found that there were about 3,000 Master Masons in the 65 Lodges in Southwest Texas, and among them were located about 100 Scottish Rite Masons. "San Fernando" was chosen for the name of the proposed Lodge. Bro. John M. Strayhorn, 32°, personally conveyed the petition to Ill. Bro. Davis at Galveston, then D. S. G. I. G., but it was later decided to bring back the petition, obtain more signers and present it to Ill. Bro. Chamberlin in December. This petition failed of its purpose, however.

The records disclose little of the doings of the next two years, though the brethren kept in constant communication. In September, 1911, agitation in favor of a Lodge of Perfection was renewed. Sov. Gd. Commander James D. Richardson was induced to come to San Antonio November 20, and personally inspect conditions here. A brilliant banquet was spread at the St. Anthony Hotel, presided over by Bro. Nat M. Washer, 32°. The distinguished visitor expressed the belief that San Antonio was entitled to have the bodies organized.

The following week, a committee was appointed to prepare and circulate a new petition. Bro. McDuffee resigned his position as president of the club and Bro. Washer was elected to succeed him.

About 60 Knights Rose Croix, presided over by Bro. Washer, met on the Maundy Thursday following at the St. Anthony Hotel. Bro. R. L. Ball, 32°, was appointed to interview Ill. Bro. Sam P. Cochran, 33° S. G. I. G., on behalf of a Lodge of Perfection in San Antonio. As a result, Ill. Bro. Cochran visited the brethren in August, 1912, and told them he would grant their petition. He announced that he would, on September 19, institute the Lodge of Perfection.

A week before the appointed time, a preliminary meeting was held and everything put in readiness for the consummation of the long cherished plans.

With 119 charter members, more than any one had hoped for, Bexar Lodge of Perfection was formally instituted September 19, in the lodge room in the Crockett Hotel, 86 brethren, including distinguished visitors from other cities, being present.

Preparations were immediately begun for the first reunion, held November 21-22, when 199 Master Masons from Blue Lodges all over Southwest Texas received the Ineffable degrees. The work having been declared satisfactory to Bro. J. L. Stephens, 33° Hon., the representative of the S. G. I. G., a petition was prepared asking letters temporary for Pilgrim Chapter No. 6, Knights Rose Croix, which was duly instituted January 23, 1913, with 85 charter members.

The Chapter was named in honor of Mrs. W. S. Fly, who, before her marriage to Chief Justice W. S. Fly, was Miss Cayloma Pilgrim of Gonzales. Her father, T. J. Pilgrim, was a member of Stephen F. Austin's colony, and in 1828, while a mere youth, organized the first Sunday school in Texas at San Felipe on the Brazos. He was also the official translator and interpreter of the Spanish language for Austin's colony. He died in 1877.

Encouraged and strengthened by the greatly increased membership, the brethren bought a well located piece of ground for a cathedral site.

On February 19, 1915, Travis Council of Kadosh was set to work with a charter membership of more than 200, and at the last session of the Supreme Council, October, 1915, a permanent charter was granted to Travis Council of Kadosh. In October, 1915, dispensation was granted to the San Antonio brethren for a Consistory which is soon to be set to work by the S. G. I. G.

The Council of Kadosh is named for one of the heroes of the Alamo. The Consistory will be designated as San Antonio Consistory No. 5.

In the face of many discouragements and difficulties, the Brethren who originated the movement for establishing the bodies in Southwest Texas have cheerfully persisted in their efforts and are at last enjoying a full consummation of their hopes.

A new Cathedral and site, costing over \$65,000 has been purchased and it is expected that more than 300 Knights Kadosh will receive the 32° at the first reunion held by San Antonio Consistory.

(SEAL)      By the active members from Texas and ex-officio its Deputy:

Official information having been received that from absentiveness and other causes, only eight of the members of Corpus Christi Lodge of Perfection No. 2 can at present be congregated, that therefore its business cannot be transacted, its work is retarded, and the existence of said Lodge endangered. Grand Master of Corpus Christi Lodge No. 2 to act as the Special Deputy of said active member and as such to, (the said eight members first consenting in writing thereto,) to communicate according to the terms of Article XXVI and 1 (page 396) of the statutes and regulations of the Rite, the degrees from 4° to 14° inclusive upon Brothers I. D. Mart, Michael Brennan and being Master Masons in good standing which shall be as lawful as if done by said active member in person, and for which this is his warrant. Very Dear Brethren:

In consideration of the very great zeal and devotedness  
and eminent worth of the Bro. Knight Kadosh, Dr. Aaron  
Ansell, Ex. Tr. P. Gr. Master of the Lodge of Perfection,  
Corpus Christi, I have the honor to request that you  
will, for me and yourselves, or that one of you will, in-

Honorarium, without fee or charge, and inform me thereof,  
to the end that he may have his Patent in due form.

Sov. Grand Commander.

Pinitas, May 2nd, 1883.

Philip C. Tucker, Esq.,  
Galveston.

Dear Sir & Bro:

In the transactions of the Supreme Council October,  
1882 I find that the Lodge of Perfection at Corpus Christi  
was declared "extinct and the charter and books issued  
to them to be recalled." I have thought it my duty to  
take charge of the books and papers of the Lodge and I  
have received from the late officers the following

- 1 Charter
- 9 Blank Diplomas
- 1 Book Secret Work
- 2 Books Sr. G. Warden
- 1 Book Dogma & MrIs
- 1 Minute Book
- 1 Roll Book
- 1 Letter Book
- 1 Book By-Laws

The seal I could not get, the Treasurer who has it being  
absent in Mexico. There is no property belonging to the

Lodge except their small triangular tables, which are very common and not worth moving. The books I will keep carefully until you instruct me what to do with them. The book of Secret Work will be carefully sealed up and directed to you so that in case of my death it will be sent to you unopened. I have done all in my power to keep the organization of this Lodge intact, having several times called a meeting of the members, but always failed to get them together, three of them living at a distance from the city and I never get the Secretary to make me a report that I could send you. No one can regret this more than I do. I labored earnestly with the members and warned them that they would loose their charter if they did not meet and take some steps toward keeping it. They all spoke very loyally but at the same time would do nothing. I should like to have your approbation of what I have done in this matter and if convenient I would wish you to send me my diploma for the 32°.

Very truly and fra. your obd. sert.

H. A. Gilpin,

(This Bro. Gilpin was one of Bro. Tucker's Deputies.—  
C. A. H.)

The records show, the last meeting was held in this Lodge May 9th, 1878; 9 B. B., being present at this meeting; absent 4. The records show this to be the 42nd meeting during the life of this Lodge. The author failed to find any reasons given for the demise of this Lodge. His reasons for copying the records of three meetings, are to give the complete history up to and including the election and installation of officers and by whose authority instituted. Two of the Charter Members of this Lodge are now living, and both are members, in good standing, of Corpus Christi Lodge 189, A. F. & A. M.

"Oct. 1882. Proceedings of the Supreme Council, The Lodge of Perfection at Corpus Christi, Texas, was declared to be extinct and the Charter and books issued to them recalled."

The last regular meeting of Palestine Lodge of Perfection No. 4, was held March 1, 1884. The records show a called meeting was held March 11, 1884, for the purpose of conferring the degrees on Joseph Amson, but no minutes of this meeting are recorded. All of the Charter Members that we have any account of are dead with the exception of Bros. C. A. Stearne, 32°, of Palestine and A. R. Howard, 32°, of Houston, W. S. Bryant, 32°, of Palestine, and Fletcher Watts, 14°, of Palestine.

(Note Proceedings of Supreme Council, October, 1882.)

"The Lodge of Perfection at Palestine, Texas, was declared to be extinct and the charter and books issued to them recalled". C. A. Hotchkiss, 33° Hon., Deputy Inspector, was instructed by the S. G. I. General to proceed to Palestine and collect all the books, papers, records, Charter, and return to him.

The author desires to call attention to an error in above: W. S. Bryant 32°, Charles A. Sterne 32°, W. A. Hensley 32°, and Joseph E. Wilson 32°, were charter members of the Lodge of Perfection, but the degrees were not communicated to them, as Bro. Albert Pike 33°, Grand Commander, had communicated the degrees to them some time prior to the institution of the Lodge of Perfection.

The following is an extract from a Masonic Journal:

The inauguration of Fort Worth Consistory and installation of its officers, of the Ancient and Accepted Scottish Rite of Freemasonry of the Southern Jurisdiction of the United States, on January 24th, 1885, at the Orient of Fort Worth, Texas, was perfected by Philip C. Tucker, 33°, Grand Prior, and active member for Texas, as Grand Commander; Charles Ogden Bingham 32°, as First Lieut. Grand Commander; John McDonald, 32°, as Second Lieut. Grand Commander; Henry A. Smith, 32°, as Grand Chancellor; Geo. A. Gibbons, 32°, Grand Constable; Joseph Knight Ashby, 33° Hon. and Grand Cross Court of Honor, as Grand Master of Ceremonies.

The ceremonies of inauguration are the most impressive and solemn it has ever been our good fortune to witness, and of such dignity as to cause us to reflect and feel how little man is in this world, even as a grain of sand on the sea shore, and that he has great things to do before he can fit himself in spirit and fact to be a dweller in the Holy House of the Temple Consecrated to Faith, Hope, Charity, Loving Kindness and Toleration. After the installation the Brethren and visitors partook of a sumptuous banquet prepared for the special occasion. The reminiscences of Bros. Tucker, McCoy and Smith, of old-time Masonry, thirty-five years ago, was the most interesting of the many pleasant things that come off during the evening.

The author finds in the archives of Bro. Philip C. Tucker, 33°, a letter written by Bro. J. K. Ashby, 33° Hon., Deputy Inspector, Fort Worth, Texas, Oct. 2nd, 1890; Extract as follows:

“Our Masonic Hall was burned up and a total loss; all of the Blue Lodge and Chapter furniture and regalia, six Scottish Rite uniforms, all of our Charters, Lodge of Perfection, Chapter of Rose Croix Council of Kadosh and Consistory, with some of our outfit; the insurance amounted to \$6,500.00 on everything. The Lodge of Perfection called off until the second Friday in October. There is work here and I hope it will be done in the Lodge of Perfection.”

The author has searched diligently for data pertaining to the Fort Worth Bodies, but owing to the fire above mentioned, the loss of most of the records, charters, etc., with the exception of one or two of the original members, all being dead, it is a difficult matter to obtain sufficient data to write a more complete and intelligent history; a great deal of the correspondence between the Insp. Gen. and his Deputy, at Fort Worth, pertaining to the Bodies in question, are such that they will not permit of publication. In 1890 the Province of Tarrant County and all west to the Rio Grande was officially turned over to the author, as the following letter explains:

Orient of Galveston, December 16, 1890.

To Bro. Inspector General Honorary 33°

Charles Albert Hotchkiss,  
Deputy Inspector General,  
Dallas, Texas.

Dear Bro. Hotchkiss:

Our Bro. Joseph K. Ashby, 33°, Grand Cross, late my Deputy Inspector General in Texas, assigned to duty in the Masonic Province of North Western Texas, has resigned his position. You will please visit him at Fort Worth and receive from him all property of the Supreme Council 33° in his possession as my Deputy or otherwise; also such books as he has belonging to me. You will also take actual possession in the name of the Supreme Council of all property belonging to Fort Worth Consistory, Extinct; Sidney Martin Council of Kadosh No. 3 Extinct; and of S. W. Lomax Chapter of Rose Croix No. 3, Extinct; and place them in safe keeping subject to my order. This includes Charter records, letters, books and paraphernalia of every kind. They have all been forfeited to the Supreme

Council by non-use, but the object is to preserve for the future use of Bodies of the Rite hereafter to be either established or re-established in Fort Worth according to the laws of the Rite.

Fort Worth Lodge of Perfection is about to be revived, and set at work. Its papers are ready for it. You will see that it has its own property in its possession, and will have to make it custodian of such property of the Extinct Bodies as it may desire. You will see to it that the things in possession of the Order called the Mystic Shrine belonging to any of the Bodies of the Rite at Fort Worth be recovered without delay and if found belonging to Fort Worth Lodge of Perfection No. 3, restore them to it, reminding them that while the Body was dormant the Supreme Council was in law, the power to exercise the power to control them; that loaning Masonic property to another Order is such a violation of propriety as to warrant trial and punishment as for a breach of trust and violation of their vows and deserves to be invited upon the persons so acting by expulsion. Of course you will execute proper receipts for matters received.

Until further orders, you will please consider yourself in charge of all valuables of the Rite in Tarrant and adjoining Counties in such Province and act accordingly.

Courteously,

(Signed) Philip C. Tucker, 33°,  
S. G. I. G., an Active Member of  
the Supreme Council.

GRAND CROSS COURT OF HONOR  
"1884"

Ashbey, Joseph Knight, 33° Honorary,  
of  
Fort Worth, Texas.

GRAND CROSS COURT OF HONOR.

Bro. Joseph Knight Ashby, 32°, of Fort Worth, Texas, was introduced and addressed by the Grand Commander as follows:

For extraordinary services rendered by you to the Ancient and Accepted Scottish Rite in the State of Texas, in aid of the Inspectors-General of that State, whereby the order hath gained increase and profit, the Supreme Council has, with unanimity, considered that you have fairly and honorably earned the right to the dignity, and decoration of Grand Cross of the Court of Honor, which we cannot confer upon more than three Knights-Commanders at any one session, which we have at only one session conferred upon two, and at some upon none.

We regard it as the highest honor that we can confer, when it is conferred upon a Master of the Royal Secret. We who, are members of the Supreme Council, Emeriti, Active and Honorary, wear the honorary title of Grand Cross; but to make one of ourselves equal in honor to the Masters of the Royal Secret who wear the decoration, he would have to render such signal and extraordinary service to the Rite, and show such devotion, not only to the welfare of the Order, but also to the cause of suffering humanity, as won for our Bro. Abraham Ephraim Frankland, Active Member afterwards of the Supreme Council, but then an Honorary Member, that even higher dignity, for risking his life a hundred times and more in Memphis and among the poor, prostrated by yellow fever, thereby losing his only son.

You have deserved well of the Order, working for it zealously in health and sickness, and are entitled, in the judgment of the Supreme Council, to wear the laurel. In its behalf I invest you with the dignity of Grand Cross, and I present you with the Jewel of your rank, with which the Grand Constable will now decorate you.

Bro. Ashby was conducted to the East and placed on the left of the Grand Chancellor, and in a most feeling manner thanked the Supreme Council for the great honor

Jewel of a Grand Cross.

Joseph Knight Ashby, 33° Hon., and Grand Cross Knight.

conferred on him. (See proceedings Supreme Council, October 1884.) Bro Ashby is the only one on whom this honor has been conferred in Texas.

**"EXTRACT FROM BRO. TUCKER'S REPORT."**

"Bro. J. K. Ashby, our Deputy for Northern Texas, although sick for more than seven months, absent from the State for at least four months in Missouri and Arkansas, and unable to walk most of the time, has won the chaplet of laurel for good work and plenty of it. He alone earned the entire amount of money required to be paid last August, as Texas' last payment toward the House of the Temple of the Supreme Council of 33ds at 433 Washington, D. C., and he did it manly and Masonically." He now lies ill in Arkansas, every brother should join us in silent prayer for the restoration to health of this zealous and faithful brother of our Rite."

THIRTY THIRDS HONORARY AND KNIGHT COM-  
MANDERS OF THE COURT OF HONOR WHO  
ARE NOW MEMBERS IN TEXAS,  
CREATED ELSEWHERE.

(The custom of the Rite requires every Brother from without the State to report in person to and present his Brief or Patent to be vised by the Masonic Official of the Highest Rank at the locality where he may sojourn, whose duty it is to report the fact to the Inspector General, thus securing recognition by the Brethren throughout the State.

NATHAN HAMMETT GOULD, 33°, was born in Newport, Rhode Island, on April 23, 1817, and resided there continuously until October, 1876, when he removed to San Antonio, Texas, where he resided until his death, February 14, 1895.

The Hammett family is very old and is highly respected in Rhode Island. His ancestor in America settled in Newport, Rhode Island, in 1638, and married the daughter of the first Governor of the Colony of Rhode Island.

Bro. Gould was a personal friend of both Ill. Bros. Albert Pike and Philip C. Tucker and corresponded with them for years prior to his removal to San Antonio, Texas, and when they visited San Antonio together in the early eighties they were the guests of Bro. Gould, and recognized him a Sovereign Grand Inspector General as soon as he arrived on Texas soil, though his commission as an Honorary Inspector General was not issued by the Southern Supreme Council until 1882.

Bro. Gould was Grand High Priest of the Grand Royal Arch Chapter of Rhode Island in 1862-3, was crowned an Active Member of the Supreme Council of the Northern Jurisdiction, May 16, 1861, and from that date to 1876 was sole Deputy for Rhode Island. He removed to San Antonio, Texas, October, 1876, and was officially recognized by the Supreme Council of the Southern Jurisdiction as Honorary Inspector General in 1882, and was an Emriti Member in 1888. He died in San Antonio, Texas, at the age of 77 years, he lived the life of an "honorable Gentleman," a true Mason and loved by everyone who became acquainted with him.

GEORGE MELLERSH, 32° K. C. C., received the Scottish Rite Degrees in Memphis, Tenn., and was Past Venerable

Master of his Lodge of Perfection. Past Grand Commander of Knights Templar in Tennessee, removed to Dallas in the early 70's. He affiliated with both York and Scottish Rite Bodies in Dallas, and was commissioned Deputy Inspector in North Texas, but soon resigned. Bro. Mellersh had quite a Masonic record, but the Author has been unable to obtain it.

**ACHILLE REGULUS MOREL**, 33°, Sovereign Grand Inspector General and Active Member of the Supreme Council of the Southern Jurisdiction of the United States, was born April 9, 1810, at Duclair, France, occupation a merchant, was a resident of New Orleans, Louisiana, for many years, took a great interest in Scottish Rite Masonry, was elected and crowned Active Member of the Supreme Council of the Southern Jurisdiction, May, 1870, and commissioned Inspector General for Louisiana, unseated for non-attendance May, 1874, unanimously reinstated May, 1876, as Active Member for the Supreme Council for the State of Texas. Grand Representative to France 1877 and Grand Representative to Italy, 1878. Brother Morel left Galveston for California in search of health December 29th, 1885, and died there some years later.

**RUPDOLH GUNNER**, 33° Hon., was formerly from Mexico and was a General on Maximillians' Staff, received the Ancient and Accepted Scottish Rite Degrees in Mexico. He moved to Dallas sometime during the year of 1887, the author called on him and found him to be a Scottish Rite Mason, after inspecting his papers reported him to the Sovereign Grand Inspector General in Galveston, who in turn reported him to Brother Albert Pike, Grand Commander. At the session of the Supreme Council, October 1888, Brother Gunner's name was presented and the committee on nominations respectfully recommended him for affiliation as a Brother Inspector General Honorary Member of the Supreme Council entitled to wear the decoration of the Grand Cross as an Honorary Member of the Court of Honor, he was afterwards commissioned Deputy for the Valley of Dallas.

**WILLIAM LOUIS SHUMATE**, 32°, K. C. H is a native of Decatur, Georgia, residing there until 1886 and removing in this year to Chattanooga, Tennessee. While a resident of Chattanooga, a gentleman by name of Frambes arrived during the year

**Achille Regulus Morel, 33d.**

of 1890 and circulated a petition purposing to establish a Lodge of Perfection of the Cerneau Rite. Frambes (an imposter) eventually succeeded in establishing a Lodge of Perfection of the so-called Clandestine Rite. Bro. Shumate soon discovered he was about to be inveigled into a spurious Rite for a nominal sum of money and immediately withdrew his name and after careful investigation and fully convinced of all facts, he corresponded with Brother Pike, receiving from him such information and instructions required to organize a Lodge of Perfection, thus prepared, Bro. Shumate began to wage war on the Cerneau Rite, securing 19 candidates and ably assisted in the organization of a Lodge of Perfection under the Southern Jurisdiction.

In this affair, Bro. Shumate made a grand fight, triumphing gloriously. Appreciating his valuable services in the creation of a legitimate body of the Rite, the Supreme Council elected him a K. C. C. H.

Bro. Shumate is by profession a lawyer, in practice now in Galveston, Texas, to which city he came from Chattanooga, Tenn, in 1894. The disastrous storm of 1900 so broke the spirit of Bro. Shumate that he left shortly thereafter to reside in Dallas, remaining there until 1912, when he again took up his abode in Galveston.

He was made a Perfect Elu, March, 1890.

Made Knight of Rose Croix, April 9, 1890.

Made Knight Kadosh, April 9, 1890.

Made Prince of the Royal Secret, April 9, 1890.

K. C. C. H., October 28, 1893.

EDWIN CATLIN WEBSTER, 33° Honorary, now a resident of Alvin, Brazoria County, Texas, formerly of Hastings, Nebraska:

Brother Webster is a Life Member of Fedecia Lodge of Perfection No. 3 of Hastings, Nebraska, a Life Member of Constans Rose Croix Chapter No. 3, same place. He affiliated with Pike Tucker Council No. 1, Knights Kadosh, and Texas Consistory No. 1 at Galveston, Texas, July 6th, 1907. Brother Webster is engaged in the real estate business in Alvin, Texas, and all Scottish Rite Masons will receive a hearty and cordial greeting who chance to meet him, and the author esteems it a pleasure to present his name to all Scottish Rite Masons in Texas.

ED. S. DONNELLY, 33° HONORARY,

For the benefit of many of the Scottish Rite Masons

of Texas I deem it necessary to explain to you who Brother E. S. Donnelly 33° Honorary is, and why he obtained the high honors that have been conferred upon him.

The following is a brief sketch of our Brother above mentioned:

Prior to his residence in Texas, he lived in Oklahoma Territory (now the State of Oklahoma) and was one of the first to receive the Scottish Rite Degrees in his territory, the degrees being communicated to him by Harper S. Cunningham 33°, then Deputy of the Supreme Council. There were at that time only three others in the Territory, Jack Hilton, who was one of them, left in a few days for another State so only Cunningham and Donnelly were left, immediately after being pronounced Master of the Royal Secret, the Sovereign Grand Inspector General said: "By the power in me vested I appoint you Venerable Master of the First Lodge of Perfection of Oklahoma," Brother Cunningham, then and there turned over to Brother Donnelly the Rituals and deputized him to communicate the degrees to a sufficient number whom in his judgment would be able to confer the work, which he did until he had fourteen members in Guthrie alone, he then raised a sufficient amount of money to purchase a lot and a foundation of a Scottish Rite Temple was built, the Temple, which was finally completed, stands today as a monument to Brother Donnelly and the few who assisted him.

He took an active part in organizing Guthrie Lodge of Perfection No. 1 and was elected first Venerable Master, he was coroneted 33° Hon. December 27, 1899, as a reward for his great work for Scottish Rite Masonry, he assisted in the conferring of the Degrees on the first three men made Blue Lodge Masons in Oklahoma Territory, also assisted in organizing the first Grand Lodge in said territory, he was present when Brother Chamberlin 33°, Sovereign Grand Inspector General in Texas instituted Dallas Consistory No. 2 and was elected an Honorary Member.

NAHOR BIGGS YARD, 33° HON.

He was born at Trenton, New Jersey, on the 12th day of March, in the year 1816, he removed to Texas in the year 1838, and settled at Galveston, of which city he was an honored citizen until his death. He received the degrees of this Rite from the 4th to the 32nd, inclusive in the years 1867, 68, 69 and 70. Was the first V. Master of

**Nahor B. Yard, 33 Hon.  
First Venerable Master in Texas.**

San Felipe Lodge of Perfection No. 1, serving two terms, was W. Master of Gilman Chapter of the Rose Croix No. 1; was created a Knight Commander of the Court of Honor in May, 1872; elected to receive the 33d degree of Inspector-General, Honorary by the Supreme Council in October, 1880, and was duly coroneted in November, 1884; and well did he deserve the honor, for his history as a Master Mason showed an unflinching devotion to the order; he received the Masters degree in Harmony Lodge No. 6, at Galveston, July 13th, 1840, and for the forty-eight years and more, he continued a member of it, he was never known to be absent from a meeting, unless out of the city, ill, or caring for some person in trouble, sick, or dying; after serving in both the Warden Stations, he was in the year 1842 elected its W. Master, and subsequent to his service as such, served in different official stations. In December, 1856, his Mother Lodge elected him its Treasurer, in which office he continued the remaining years of his life, nearly thirty-three years; he was, as a rule, during all these years, a member of the Committee of Fraternal Assistance. Bro. Yard was also a member of Tucker Lodge No. 297 at Galveston from 1867, and a regular attendant at its meetings. In the American Royal Arch Chapter, San Felipe de Austin No. 1 at Galveston, he received its degrees, one of its earliest members, served as its High Priest from January 3rd, 1844, to February 15th, 1848; and subsequently, also a Sojourner, Royal Arch Captain of the Host and King.

In the order of Knights Templar he was a member of San Felipe de Austin Commandery No. 1, in it he received the orders soon after its organization at Galveston, from its Commander, the late Samuel M. Williams, deceased, he filled nearly every office in it at different times and repeatedly; was its commander several terms, and at other times was usually Prelate, Jr. Warden or Treasurer. In the year 1866 he was Deputy Grand Commander and in 1867 Grand Commander of the Grand Commandery of Texas, faithfully he labored in both Rites, treading the mystic way, the Sacred Chambers, eating of the same bread, drinking from the same cup of brotherhood, grieving when we grieved and rejoicing when we rejoiced as Masons, and during all this long Masonic journey his brethren loved and honored him.

“Palma non sine pulvere.”

He revered the order above all other human institutions,

he said it "came to him as the greatest blessing of his life," when he needed it; he had left all his early associations, lived amid surroundings not tending to elevate a man morally or socially, and entirely without religious influences, that Masonry came upon him then like a light from Heaven, teaching him a worship, cultivating both brain and heart and developing all that was good in him, and that he always thanked God for it; his brethren believe it made him one of God's noblemen.

As citizen and neighbor, in public and private life he commanded the respect of all. And there was another record which demands to be mentioned; he never fled from plague, pestilence or epidemic when duty and manhood required him to remain; never deserted the post of duty, through fear of death. In the hours of danger when skies, clear as those of Italy; earth, beautiful as gardens of the East, air balmy as the flowers' perfume, gave forth on every wind disease and death, when suddenly and quietly epidemics visited our coast, and the cry for help was quickly followed by the sob of the orphan, the wail of the widow and the groan of the strong man as their loved ones were carried out from among them; when coward fear reigned paramount and the ties of kindred and fraternity were inadequate to procure assistance, then he was ever to be found in the front rank, a very Daniel Isreal Ricardo (of Louisiana) and was not found wanting, an active worker of that noble institution, the Galveston Howard Association, from its birth in the year 1847, one of its Directors, at times Treasurer and President, he, with others fought the yellow fever through every epidemic at Galveston, (except that of 1864, when he was absent), from the first that ever visited the city, and when we were exempt and other Southern places were the sufferers he was constantly at work to help them; collecting money for them, sending them money, nurses, help of every kind. Worthily he won the spurs of a Knight Commander of the Temple, and he wore them with honor. Bro. Yard was a manly man and Freemason and did his duty as such when in his power, he spent fifty years of his life among us and did much good and as little evil as man could do. When the sprig of Acacia was dropped upon his coffin the intellect of every brother present realized and measured his worth, and the soul of each concluded that if its record should be as clear as his for good acts, well done in Masonic sense, that surely it would hope to pass inspection.

**Benjamin B. Richardson, 33<sup>rd</sup> Hon.**

Our brother had been invalided for two years past, and nearly every day passed hours at the Masonic Temple, on the 4th of May, standing in the Lodge room at the Secretary's table alone, he was stricken and fell to arise no more on earth—he died the following day. As he was the oldest member and oldest Past Master of Harmony Lodge No. 6, it was decided that he should be buried by it with the usual service, and that the next oldest member and Past Master, Bro. James Sorley, 18°, who had stood shoulder to shoulder with Bro. Yard in good works for many years, should preside, and it was done accordingly.

Requiem eaternam dona ei Doimne!

Philip C. Tucker,  
33°, S. G. I. G.

BROTHER B. B. RICHARDSON, 33° Hon., being the First Deputy of the Sovereign Grand Inspector General in all Texas and unknown to many of the Brethren now living, the author deems proper and not out of place to copy from the proceedings of the Supreme Council the following extract by Brother Albert Pike, 33°, Grand Commander:

“Bro. B. B. Richardson died February 11, 1880, this very dear Brother who has now died, received the 33rd Degree at the hands of the Grand Commander and Brothers Tucker and Morel, Inspectors General at Galveston, Texas in the latter part of November last.

He was a Deputy of Bro. Tucker for the whole State and the only Honorary Inspector General and Honorary Member of the Supreme Council in the whole State and he was worthy to be so, he has done his work well and the fruits of it will endure. The dead teach with more authority than the living.” The above was well said, as the fruits of his early labor for Scottish Rite Masonry is to be found in all sections of our great State.

Extract from Memorial of Bro. Tucker's records:

Honorary Grand Inspector General, and our Deputy Inspector for all Texas, died at Galveston on the 11th inst., aged fifty-three years. In life he was earnest in all his undertakings, and especially devoted to Free Masonry; learned in the symbolism and legends of the American rite, in every grade, and high in official station therein, both in Maryland and Texas, he for thirty years taught and labored diligently in the Courts of its Temples.

Created a member of our Ancient and Accepted Scottish

Rite, his culture enabled him at once to appreciate its value, he felt as if he had traveled far and arrived on sacred soil, he acknowledged the truths of its philosophy and religion, bowed at its shrine, and believing it a worship, which like the dove of the Deluge carried to man a message of peace on its wings, he zealously engaged in its service; his work was well done—in this as in the American rite—it was “duty, not glory,” he followed. He honestly earned every honor bestowed upon him, and was always at his post; when he realized that medical skill would fail to prolong the number of his days, he met the inevitable, with “come when it will, I am ready.”

### HISTORIC SKETCH OF A. GOLDMAN.

Orient of Galveston, Texas, Feby. 8, 1885.

Dear Bro. Pike:

In answer to that portion of your kind letter of the 2nd inst., received on the evening of the 6th inst., which relates to Bro. Goldman, 33°, deceased, I send you an obituary notice written by myself, and published in the "Texas-Freemason." Also herewith, a sketch of Bro. Goldman's Masonic career, written by himself, and sent me in September, 1882, in addition to which I have to say, that he was in business-life a druggist, in which he was not a dispenser of drugs merely, but a superior medical chemist; and his chemical knowledge was not confined to medicines alone, but was extended into the science generally, and its practical application to different branches of human industry. He was a member of the Lutheran Church—the church of his forefathers—which included—  
"His father's creed,  
His mother's prayers."

He lived acceptably to his brethren, and we believe, if good work well done be taken as evidence, that his life's record will be found satisfactory at the general inspection, upon taking a final account.

I am Sir, with usual salutations,  
(Signed) PHILIP C. TUCKER, 33°  
Inspector General.

To Bro. Albert Pike, 33°,  
Venerable Grand Commander.

Orient of Austin, September 10th, 1882.

Dear Bro Tucker:

The life of most of us is modelled by impressions received at a time when our minds are in a state when such

impression is most lasting. This, perhaps, makes also the difference between an enthusiastic and a don't-care Mason. I received the 1st and 2nd Degrees in Mount Moriah Lodge, No. 59, on July 10th and 17th, respectively, 1855. When on the Tuesday following, I came up for my M., M. D. James Fournaux, the Secretary, requested me not to apply, as charges had been preferred against me. Next morning Walter Nicol, W. M., informed me that Dr. Longenbecker had charged me with horse-stealing. If I had been in Texas, the charge alone would have been sufficient to settle my Masonic career. My trial came up on September 18th, I having waived all the time the Constitution allowed me. Volumes of testimony taken outside were read; testimony heard, and, after that, I so sick that my physician allowed me only hours to live (for the last 18 days), I addressed the Lodge, sitting on a chair, supported on one side by my brother Theodore and the other by my friend, Alfred Bourges. I then withdrew and was recalled after the ballot. Standing before the Great Lights, one arm over the shoulder of Theodore, the other over Bourges, I listened to the speech of congratulation from Walter Nicol. In his speech he congratulated me on the services my enemies had rendered me by showing to the B. B. here present, the difference between them and me, that every one in the room must have the same opinion, for the 83 balls in the ballot were all white, and there was as little stain upon my character as they had found stains in the ballot box. So far my moral strength kept me up, then I fainted and was carried from the room. Revived, all the B. B. came, congratulated me upon my unnecessary defence, and showed to me their affection in different ways. Dr. L. sneaked off; but I took a fearful revenge on him. He fell by immoral living, in the estimation of all, lost practice, and finally went as Surgeon C. S. A. and died in Perryville, in charge of the Confederate hospitals, of congestive chills, brought on by overworking himself, leaving a wife, two sons and one daughter, the oldest 11 years, the youngest about 6 years old, behind him. I furnished his family shelter and food, sent the children to school, made collections for them, and when old enough, took the oldest boy in my store, made a man of him, (he is now a practicing physician in New Orleans,) and when the mother died, I raised the money among my friends to send them to Cincinnati, where a friend of their mother, who had no children, promised to take care of them. Revenge is sweet, and I think I had

mine. September 25, 1855, I was raised, and the members of the Lodge would not allow me to give them a supper as usual, but invited me to take it with them. They pushed me forward in every way all they could, and at the installation of officers in December, 1855, Bro. W. M. Perkins, appointed me J. G. W. to assist in the ceremonies. In March, 1856, Ocean Lodge was established under dispensation, myself, J. W., doing the work as W. M., also in 1857; for although the B. B. wished me to be W. M., I refused and used my influence to elect for that office the S. W., doing his work. I was by unanimous vote elected W. M., in December, 1857, re-elected 1858 to December, 1859, re-elected in '65, '66 and '69. On December 19, '66, I was presented with the silver goblet which you have seen and admired.

The Chapter Degrees I received in Orleans Chapter No. 1, in December, 1855, and April 1856, but never took much part in the work.

In the Grand Lodge of the State of Louisiana I served on Committee on Credentials in 1858, Committee Work of Chartered Lodges in 1865, on Committee on Foreign Correspondence in 1868, 1869 and 1870, and filled the office of Grand Pursuivant in 1865. When the Spurious Supreme Council for the Sovereign and Independent State of Louisiana, under James Foulhouze, created Lodges of Symbolic Masonry in La., I took strong ground against that Body in Grand Lodge, and when the Grand Lodge of the Three Globes in Berlin recognized that Body I went to W. M. Perkins and requested some authority to correspond with them about our claims on them. Bro. S. M. Todd was the Grand Secretary, and by order of W. M. P. he made out a commission, appointing me Grand Correspondent towards all Masonic Grand Bodies working in the **German** language. I went to work with a will, carried on correspondence with them all and succeeded within the following year; that the Grand Lodge of the Three Globes upon satisfactory information received, rescinded the recognition of the La. Council and revoked the Commission to their Representation.

The Memorial which I worked out, and which was the result of six months' hard labor, is now in the archives of our Grand Lodge, and at my suggestion to Bro. J. B. Scott, Chairman of Committee on Foreign Correspondence, not appended to our printed report in order to give no undue importance to the question, which we thought we could suppress. But when the Grand Orient of France,

in 1868, recognized in its Bulletin that Spurious Council, the Committee on Foreign Correspondence, on February 8, 1869, presented a special report to Grand Lodge: see Proceedings, 1869, Pages 75-80. James B. Scott, Joseph P. Horner and myself as Committee. In this report we threw the gauntlet to the Grand Orient and nailed our colors to the Mast and I now remember with pleasure when Scott and myself, after much opposition, carried our reports and resolutions with but one (Oscar Czarnowski, W. M. Hiram Lodge) dissenting voice. I was commissioned as Grand Representative of the Grand Lodge of Royal York of Friendship, September 3, 1867; Grand Lodge of Eklectic Union, in Frankfurt, December 16; Grand Lodge of Saxony, in Leipsic, December 17; Grand Lodge of Three Globes, in Berlin, December 18, and appointed Honorary Member of these Bodies, but of the Grand Lodge of the Three Globes I was elected life Honorary Member at the meeting. I tendered my resignation the 21st of September, 1870, as the letter said, in thankful recognition for the proper caring of their interest.

I have given you a short synopsis of my Masonic career until the time I had the pleasure of knowing you; and you have my report of work done as your Deputy during the last year. It is necessary for me to add, that besides the work I have done I have carried on a very large correspondence, which, although it has not produced any visible good result, I think will germinate and bring fruits.

In closing these remarks I will add, to illustrate my statement in the beginning of this letter on impressions: the impression on the evening of my trial in Mount Moriah Lodge No. 59, is everlasting on my mind. The brotherly feeling towards an almost stranger, who suffered under the disadvantage of a heavy cloud in the shape of charges, was overpowering to me, and, following my career, the distinction following me could not otherwise but make me enthusiastic in Masonic life. I can claim that I am the first German who presided over an American Lodge, the first German representative of an American Lodge that held an office in Grand Lodge or was a member of a committee, the first German that received a testimonial of an American Lodge and the first German that ever was entitled to a seat in the Grand East in Louisiana. Bro. A. R. Morel may perhaps yet remember some details from the foregoing pages, and I would be highly rejoiced if he could do so. Your kindness towards

me, however, throws into the shadow all other friendship ever experienced before, and believe me, my dear Sir, that it will all be remembered to my dying hour.

Yours truly,

A. Goldman, 32°,

Deputy Inspector General.

To Bro. Philip C. Tucker, 33°,  
S. G. Insp. General,  
Active Member of S. G. C.  
Southern Jurisdiction, Galveston, Texas.

When the Supreme Council decided to propagate the Rite in Texas in the German language, Bro. Goldman was recommended to Bro. Tucker, 33°, S. G. I. Gen. in Texas by Bros. Fellows 33° and Todd 33°, S. G. I. Generals and Active Members of the Supreme Council as the best man to undertake the work. Bro Goldman was not even a Scottish Rite Mason, and Bro Tucker sent Bro. Charles S. Morse, 33°, to Austin (who was then living in Galveston) to confer upon Bro. Goldman as an Honorarium the Scottish Rite Degrees from the 4° to 32°, inclusive, and ask him if he would accept the appointment as Deputy Inspector. Bro. Goldman was immediately commissioned Deputy Inspector General, was elected Knight Commander of the Court of Honor in October 1882. Bro. Pike and Bro. Ireland made a special trip to Austin in November, 1884, and conferred the 33° degree on Bro. Goldman, Honorarium at the time he was confined to his room, practically on his death bed, as he died very shortly afterwards. He was the founder of Scottish Rite Masonry in Austin.

In life he was a true, faithful, zealous and intelligent Freemason, in or out of official station, respected and honored by his Masonic peers everywhere, a good husband, father and son, discharging life's duties with a full appreciation of his responsibility to his Creator for the trusts so reposed in him. He earned his honors by his works, has accomplished his day, and rests from his labors. Honored be his memory.

#### DR. AUSTIN B. CHAMBERLIN.

Dr. Austin B. Chamberlin, 33°, Sovereign Grand Inspector General in Texas and Active Member of the Supreme Council from October 18th, 1893. until he died. The following is an extract from J. D. Richardson, 33°, Sovereign Grand Commander's Memorial:

Bro: A. B. Chamberlin was born January 16th, 1842, in Montreal, Canada. He came to the United States when

quite young and located in the State of Maine, and there received his early education. He attended the Louisville Medical School at Louisville, Kentucky, and later graduated from the School of Medicine of the University of Tennessee at Nashville, and resided for a brief period at Columbia, in that State, after practicing his chosen profession at Columbia for a short time, he removed to Arkansas and located in Dardanelle, from this point he removed to Texas in 1871, locating at Sabine Pass. In 1876 he was made State quarantine and health officer at Sabine Pass, a position he held for six years. In 1882 he removed to Galveston, Texas, where for many years he practiced medicine.

He was made a Master Mason in Bright Star Lodge at Dardanelle, Arkansas; a Royal Arch Mason and a Royal and Select Master in March, 1883, in San Felipe de Austin Royal Arch Chapter, at Galveston and a Knight Templar in San Felipe de Austin Commandery No. 1; in May, 1883.

He was made a Perfect Elu December 1st, 1880, and subsequently received the other degrees of our Rite, up to and including the thirty-second, in December, 1881, in the Bodies at Galveston. He was elected a Knight Commander of the Court of Honor, October 23rd, 1884, was Coroneted Honorary Inspector General of the 33rd degree October 24, 1884, and was crowned Sovereign Grand Insp. General, Member of the Supreme Council at St. Louis, Missouri, October 18th, 1893, when the Supreme Council met in that city. From December 5th, 1881, until he was crowned an active member, he was Deputy of the Inspector General in Texas, and of the Supreme Council. He was an honorary member of the Supreme Councils for Mexico and Italy. He was Worshipful Master of Syrian Lodge, F. and A. M. at Sabine Pass. In 1901 he was appointed assistant to Bro. Webber in the office of Secretary-General, and on January 11th, 1908, was appointed Secretary-General of the Supreme Council by the Grand Commander.

Bro. Chamberlin was a zealous and deserving Mason, He studied its principles and philosophy, the teaching and dogma of the Scottish Rite especially appealed to him, and gave fuller opportunity for the trend of his mind and thought.

After coming to Washington City to accept a position in the office of the Secretary-General, he occupied a room in the House of the Temple, from choice, where he lived a life almost apart from others. This gave him time and opportunity, where he availed himself of study. He used these ascetic hours to learn all he could of what Ma-

sonry teaches and to draw therefrom its sweetest inspiration.

He mastered each degree of our system and gave instructions and orders to all of his subordinate bodies in Texas, that every degree should be conferred in full ceremonial form. In order to do this, the brethren in that Jurisdiction are forced to always hold their reunions for four days, at which they work each day from early in the forenoon until late night. At every reunion, they confer the twenty-nine degrees. When he was crowned Active Member of the Council in 1893, there were in Texas only one hundred and two members of the Lodge of Perfection, and no working Council of Kadosh or Consistory. Today, they have in that State, in Lodges of Perfection, over three thousand members, with all the prosperous bodies at various localities. This result speaks volumes in evidence of his remarkable organizing capacity and to his valuable services as a Sovereign Grand Inspector General. He was well informed in Masonic Law, and as Grand Commander, I recognized that I had in him a safe counsellor and advisor in all matters in doubt or controversy. He was by nature, conservative and cautious, slow to make up his judgment and always impartial, which made his opinion and advice more valuable. He was unpretentious and shrunk from the public attention, on account of his modesty and retiring manner and disposition. He held himself in the background which caused him sometimes to appear indifferent, if not unfriendly to those with whom he came in contact; but this was all appearance. He was not what was termed a good mixer, and it was almost impossible to get him to appear before an audience or to deliver a public address. In his manner he was diffident or not easy to approach or become acquainted with, in presence of strangers, on account of his modesty of which I have spoken, he appeared somewhat ill at ease, but in all things he was a true man and a most sincere one, and possessed a warm heart and a most generous nature. His friendships were not casual and formal, but sincere and true; his attachments not transient and suddenly made, and when made, were permanent and enduring. It was my privilege during our loved and very close association to frequently talk with him of death and judgment. He always expressed himself as absolutely without fear of the end and the result. He did not believe in hollow mockery or pretentious piety and a make-believe religion, of which there is so much in the world. He said he possessed

absolute and perfect faith and confidence in his Maker and placed the Supremest trust in Him, and always said he was ready. Born in the rugged, cold climate of the extreme North, he made continual changes in his home in early life, each time going farther South until he could go no farther in that direction. In Galveston, he found not only the balmy atmosphere which was congenial to his nature, but here he made many friends who became devotedly attached to him, and of whom he was very fond, and his love of that land and country and people, was as genuine as that of the most passionate devotee to his Fatherland, fanned by the gentle breezes of the great Gulf. May the beautiful flowers which grow on his grave be preserved in their perennial freshness and loveliness, and may God give rest and peace to his soul.

James D. Richardson, 33°.  
Grand Commander.

#### J. J. DAVIS, 33° Hon.

In business life his industry and personal merit have been recognized in the position he now holds as manager of the Galveston Wharf Company.

In Masonic life he has enjoyed the confidence and honor of the fraternity as evidenced by the offices so efficiently occupied by him in this state. In the York Rite he is Past Grand Master of the Most Worshipful Grand Lodge of Texas and Past Grand Commander of the Knights Templar in Texas.

In the Scottish Rite his loyal and faithful labors for that branch of Masonry has been recognized by the Supreme Council of the Ancient and Accepted Scottish Rite of Freemasonry of the Southern Jurisdiction, by having conferred upon him the 33rd Degree Hon., being the highest and final degree conferred by that body.

That this was well merited recognition is evidenced by the record of his efficient work in behalf of the Rite in being one of those who advocated the conferring of all the degrees in long form which was done in the Galveston bodies with which he was associated and which, as adopted by other bodies, has been instrumental in bringing the work in this State to a high plane of efficiency.

When Dr. A. B. Chamberlin, Sovereign Grand Inspector General for Texas, was called to Washington to fill the office of Secretary General of the Supreme Council, Brother Davis was appointed the Deputy of the Inspector

Council Southern Jurisdiction.

General for the State of Texas, and was confidently relied upon to perform the necessary official duties pertaining to the Rite in Texas, to the satisfaction of his superior officer. This position he filled as indicated until the pressure of business life, especially in the responsible position he now holds, together with a realization that his mantle would fall on a worthy successor, led him to resign that office.

SAM P. COCHRAN, 33°, SOVEREIGN GRAND INSPECTOR GENERAL IN TEXAS.

It is seldom that nature, education and experience have combined to give personality, culture and executive ability to any individual in proportions which are so generous and so well balanced as have been given to Brother Cochran.

He is of charming personality, well read in general affairs, a deep student of Masonry and has demonstrated his ability in the control of large affairs, not only in private and public life, but in the wiser and more intimate life which we as Brother Masons endeavor to live.

Considering his career from any angle the keynote of his wonderful success is due to his wonderful faculty for endurance under sustained labor.

His merit was early discovered by his Brother Masons and he was rapidly advanced through the various offices. He has been honored by all the appointments and elections which are in the gift of the various Scottish Rite bodies in Texas.

He was appointed to his present high office, Sovereign Grand Inspector General in Texas, in October 21st, 1911, and as such is an active member of the Supreme Council A. A. S. R. at Washington, D. C., having also the honor to be Grand Master of Ceremonies of that body.

He has filled all the offices both minor and grand in the York Rite bodies in Texas.

The following is an accurate summary of the record of his progress through the Scottish Rite bodies:

### “ADOLPHUS STERNE” 32°

The author displays the above picture and a short biographical sketch for the purpose of throwing some

Adolphus Sterne, 32°  
First Scottish Rite Mason in Texas.  
(1824)

light on the work of early days, and upon the life of a distinguished and pioneer Mason.

Bro. Adolphus Sterne 32° was the first Scottish Rite Mason in the Republic of Texas, which I trust will be of some interest to our younger brethren.

Bro. Sterne was a very prominent Mason in the early days of Texas. He was a Past Master when he came to Texas, and assisted in organizing Milam Lodge No. 2 at Nacogdoches. He also assisted in organizing the Grand Lodge of Texas.

The following is copied from the proceedings of the Grand Lodge (Ruthvens Reprint):

“City of Houston, Dec. 20th, A. D. 1837.”  
Convention of Master Masons.

“In pursuance of an invitation from Holland Lodge No. 36, of Ancient Free and Accepted Masons, held at the City of Houston by virtue of a Charter from the Most Worshipful Grand Lodge of Louisiana, addressed to the different Lodges in the Republic of Texas, a convention was held in the Senate Chamber this day at 3 o'clock p. m.

“On motion, Bro. Sam Houston was called to the chair and Bro. Anson Jones appointed Secretary.

“The following delegates presented their credentials and took their seats:

“From Holland Lodge No. 36, held at the City of Houston: Brothers Sam Houston, Anson Jones, Jeff Wright and Thomas Western.

“From Milam Lodge No. 40, held at the Town of Nacogdoches: Brothers Thomas J. Rusk, J. W. Burton, Charles S. Taylor, Adolphus Sterne and R. H. Douglass.

On motion of Bro. Sterne it was Resolved that all Masons present, who are members of regular Lodges be and they are hereby constituted members of the Grand Lodge of the Republic of Texas.’

“Other members being present, they were accordingly constituted members of the Grand Lodge.

“On motion of Bro. Sterne, it was Resolved, that all now proceed to organize the Most Worshipful Grand Lodge of the Republic of Texas, by the election of a Most Worshipful Grand Master, Right Worshipful Grand Treasurer, Right Worshipful Grand Secretary and that the other grand officers be appointed at the first meeting of the Grand Lodge.

“Bro. Anson Jones was elected Most Worshipful Grand Master and Bro. Adolphus Sterne was elected Right Wor-

shipful Deputy Grand Master'." You will perceive by this that Bro. Sterne was not only a Scottish Rite Mason, but an active member in the Grand Lodge and subordinate Lodges of the Republic of Texas.

In a letter to me, dated October 10th, 1912, from Charles A. Sterne 32°, member of Texas Consistory No. 1, Palestine, Texas, he writes as follows:

"After some search I have secured the apron and two collars (collar of 32° and also Knight Templar) part of the regalia worn by my father, worn over 80 years ago, they are in bad condition, having been badly kept, but I hope you will be able to secure a satisfactory photograph, as it will prove an interesting relic of the early days of Masonry in the Republic and State of Texas. I also send a picture of my father, which was copied from a daguerreotype taken in New York in 1846. My father was born in the City of Cologne, France, on April 5th, 1801. He came to New Orleans when sixteen years old and came to Nacogdoches in 1824. He was married in 1828; was in the Fredonian Rebellion and furnished gun flints, powder and lead to the rebels, which were smuggled in barrels of coffee from New Orleans; was detected, courtmartialed and sentenced to be shot as a traitor, he having become a citizen of the Republic and commissioned as a sutler to sell goods to soldiers. He being a Master Mason, the matter was taken up by John H. Holland, Grand Master of the Grand Lodge of Louisiana, and an appeal to the Masons of the City of Mexico and the Governor of Coahuila, he was pardoned.

"He commanded a company from Nacogdoches County in the Kickapoo and Cherokee fight and was slightly wounded in the first battle. He was Aide-de-Camp to General Houston and on his staff and was preparing to join him on the Brazos with your father and others from Nacogdoches, when the order came to remove all families across the Sabine. He hastily returned, after leaving his family in Natchitoches, La., but did not reach the Texas Army until after the battle of San Jacinto.

"My father died in New Orleans, March 27th, 1852; was buried in Nacogdoches with Masonic honors on April 11th (Easter Sunday) by Milam Lodge No. 2."

The author is under obligations to Mrs. Rosine Ryan, who is a daughter of Adolphus Sterne and now resides in Houston, for the following letter to Bro. Adolphus Sterne 32°.

“New Orleans, September 25th, 1837.

Bro. Sterne:

Yours of the 30th of August was received in due time and on Friday night last, I met with the Grand Lodge, for the express purpose of attending to your request relative to your Charter, which was unanimously granted, and the Grand Lodge was pleased to learn of the progress our Order is making in that interesting country.

“I was much flattered by this request made, that I would attend to and install the Lodge and would gladly avail myself of the occasion, were it possible for me to do so, but I am doomed, it appears, never to be able to leave New Orleans for twenty-four hours at a time, the Charter is made out and will accompany this.

“The Grand Secretary has filled up a dispensation in such a manner as will enable any brother chosen by the Lodge to officiate. Why shall not Bro. Sterne be elected? You possess qualification and I would nominate you to the Lodge as a Worthy Past Master fully capable, and I have no doubt you would do your duty properly.

“Wishing success to the labors of the Lodge and happiness to the brethren, I remain,

Your friend and brother,

J. H. Holland, G. M.”

THE SCOTTISH AND YORK RITES OF FREE-  
MASONRY.  
HISTORICAL AND EXPLANATORY

“The question is often asked, what is the difference between the Scottish Rite and the York Rite?

The several bodies and degrees of Masonry may be likened to the letter “Y”. The first three, or Symbolic Degrees, also styled Blue Lodge Degrees, may be termed the stem of the “Y,” because they are the basis or foun-

ation upon which both systems of the higher degrees are built. Thus:

“One branch or leg of the “Y” is the York Rite (or more properly the American Rite) Masonry, and the other, Scottish Rite Masonry. The York (American) Rite is composed of the Royal Arch Chapter, Council of Royal and Select Masters, and Commandery of Knights Templar. The Scottish Rite, of the Lodge of Perfection or Ineffable Degrees, from the 4° to 14°; Chapter of Rose Croix, sub-

divided into Council of Princes of Jerusalem, the Historical or Second Temple Degrees, 15° to 16°, and the Religious Degrees 17° and 18°; the Council of Kadosh or the Philosophical and Chivalric Degrees, intermingled from the 19° to the 30° inclusive; and the Consistory or the Official Degrees, 31° and 32°.

“The terms American and Continental Masonry, used by Masonic scholars and historians to designate the York and Scottish Rites respectively, denote the country of their origin. The York Rite proper consists of the three symbolic or Blue Lodge degrees, as practiced in English and American Lodges. The Royal Arch Chapter, also called Capitular Degrees, the Council of Royal and Select Masters, or Cryptic Degrees, and Commandery or Templar Degrees as a system, originated in this country, from about 1796 to 1811, through the efforts of Thomas Smith Webb, of Massachusetts. The Council of Royal and Select Degrees were originally conferred as side degrees by the Supreme Council of the Scottish Rite, and some of the older Councils of Royal Select Masters still possess the Charters granted by that Body. The Scottish Rite is sometimes called Continental Masonry, because it had its origin as a system on the Continent of Europe, through the constitutions of 1762 and 1786.

“The York Rite proper, that is the three or Symbolic Degrees, is practiced in English-speaking countries, Germany and North America only, while the higher degrees of the Chapter and Commandery, as such, are known and practiced only in North America. The Scottish Rite is known and practiced on the Continents of Europe and North and South America, in Asia and Africa, and thus may be termed the Universal Rite.

“Of the thirty-three degrees included in the Scottish Rite, only twenty-nine are actively exemplified in its Bodies in this country. The Supreme Council of the Southern Jurisdiction of the United States disclaims any jurisdiction or control over the degrees of Entered Apprentice, Fellow Craft, and Master Mason, and accept as applicants for its degrees only those who are Master Masons in good standing in Lodges recognized by the Grand Lodge of the State in which the applicant is a citizen.

“On the continent of South America, Europe (with the exception of Germany), Asia and Africa, Scottish Rite Masonry is practically the only Masonry known, and the three or Symbolic Degrees are conferred under the au-

spices of the Supreme Councils, very similar to the methods of Grand Lodges in this country, only the degrees are somewhat different."

A brief Historical statement, found in the Scottish Rite Bulletin, of El Paso, for September, 1912, says:

"The general statement may be made that there are two great branches or Rites of Freemasonry, which are commonly known, in this country at any rate, as the York and the Scottish Rite. In the United States, a prerequisite for making application to the Scottish Rite is membership in a Blue Lodge of the so-called York Rite. Necessarily then, the latter is far stronger numerically. In many foreign countries, where the first three degrees are conferred in lodges of the Scottish Rite, the reverse of this is true. The American Mason who travels abroad usually is somewhat astonished at the difference he finds in this respect between the conditions at home and in Europe.

"The York Rite authentic history begins about two hundred years ago. The predecessor of the Scottish Rite, the Rite of Perfection and Heredom, was in existence prior to 1762. It was introduced into this continent by one Stephen Morin, whose patent from France was dated 1761. There is record of his founding bodies of the Rite in Kingston, Jamaica, in 1769. Later, about 1783, there was a "Sublime Grand Lodge of Perfection" established in Charleston.

"On May 31, 1801, without any previous action of which we have record, there was organized in Charleston, a Supreme Council of the Thirty-third Degree for the United States of America," the Mother Council of the world, from which all others have derived their charters. A dozen years later the Northern Supreme Council was established, by a special deputy from the original Supreme Council, which later thereafter took the name of the Supreme Council, 33d degree, Southern Jurisdiction. Fourteen States were allotted to the Northern Council: Maine, New Hampshire, Vermont, Massachusetts, Connecticut, Rhode Island, New York, New Jersey, Pennsylvania, Delaware, Ohio, Illinois, Indiana and Michigan. At that date, the present state of Wisconsin was a portion of Michigan. Hence the Northern Jurisdiction now comprises fifteen states of the Union. The remaining States, and all the territories and dependencies, as well as the Army and Navy, make the Southern Jurisdiction.

“Both Jurisdictions are working, and always have worked, in entire harmony. Nor has there ever been in this country any serious friction between the York Rite and the Scottish Rite. There is plenty of work for both, each in its own field. The two rites make one consistent and harmonious whole, and it is all Freemasonry.

“‘Scottish Rite Masonry has not attempted to propagate any creed, save its own simple and sublime one of faith in God and of good works; no religion save the universal, eternal, immutable religion, a religion such as God planted in the heart of universal humanity. Its votaries may be sought and found alike in Jewish, Moslem, and Christian temples. It is a teacher of the morals of all religions; it is the preacher of good and not of evil, of truth and not error. As in the days of Dante, its mission is to aid humanity in setting its foot upon despotism, and treading under feet spiritual tyranny and intolerance.’

“This last paragraph is from an address by James D. Richardson, 33”, the Grand Commander of the Southern Jurisdiction, and is quoted for the reason that it answers thoroughly some of the charges made against the Rite by our friends, the enemy.

“One of the aims of the Scottish Rite Bodies, in holding their reunions, or general convocations, is to encourage a closer study of the symbolism and philosophy of Masonry. The seeker after Truth will find in the broad and comprehensive doctrines of the Rite perhaps the most complete and cosmopolitan system of philosophy that has ever impressed itself upon the world. It is not a one-man’s theory or fad, but contains the best thought of the ages, along the lines of what is concealed, rather than revealed, in Ancient Craft Masonry. No man entering this Rite will have demanded for him any subscription to a creed, further than the requirement that he shall openly profess his faith in Deity. This is an article of faith that never will stand in need of revision.”

If the study of Masonry along its broader and higher lines appeals to you as a Master Mason; if you are interested in the uplift of your fellowmen; if you care to help in disseminating the knowledge of Truth among men, freeing them from superstitious fears and servile subserviency; if, in short, you are desirous of engaging in the study of the true Freemasonry, you are invited to come and be one of us.
